

1. Job posting

Disclaimer:

Posting a job on OBI MW freelancing platform is free of charge provided you have an active account on the platform. However, if for any reason you do not want to post a job advert by yourself, you can send your job advert with all relevant information ([see template](#)) to the system admin through email address admin@obimw.mw for the system administrator to post it for you at an equivalent of Mk 5,000.00 service fee.

A freelancer (job bidder) pays a 10% freelancer service fee on the total earnings they make on OBI MW. To speed up review process of your job post, you are required to pay this non-refundable service fee before your job post is approved by the system admin. When your job is done satisfactorily, you will pay the freelancer the agreed amount less the 10% service fee.
